Dear SIOPSA members,

SIOPSA AND COVID-19 LOCKDOWN

We find ourselves in an unprecedented and unimaginable situation. A situation in which the growing concern around the coronavirus outbreak can be felt by all of us. As you would know by now, President Cyril Ramaphosa has implemented a 21-day nationwide lockdown from midnight Thursday 26 March till midnight 16 April. This lockdown is a decisive measure to save millions of South Africans from infection and contain the spread of the Covid-19 pandemic.

We as SIOPSA support our President to protect the health and safety of our Nation. As the SIOPSA Executive committee and office staff, we want to assure you that we will continue to serve our members through this challenging time. We are committed in monitoring the current situation and to develop and implement ways in which to inform (please see our [SIOPSA COVID-19 Information Hub](#)), engage and support our members and serve the nation. As healthcare practitioners we are called to serve and we as SIOPSA are calling on all our members to lead from within and serve by sharing and applying your expertise. Let us all work together towards ensuring the best possible outcomes during this pandemic.

Your Sincerely,

DR MARISSA BROUWERS
SIOPSA PRESIDENT
